To foster holistic student development through diverse educational and skill-enhancing programs.

**OBJECTIVES:**

The objectives of Lifelong Learning and Extension are outlined below for making education relevant to real life situations:

- 1.) To serve as an intellectual intervention in the community's living problems which need to be overcome through an educational process.
- 2.) To develop among students a sense of responsibility towards society.
- 3.) To design programs that will help students to face life and its challenges and thus create an ambience for a learning society.
- 4.) To deepen the teachers' and students' knowledge through a wider exposure to real life situations through a variety of programs.
- 5.) To prepare students for a greater social commitment. .
- 6.) To enhance student employability skills.
- 7.) To promote the aims and values of human development among the students.
- 8.) To provide a forum and place for the exchange of ideas, innovations related with social issues.

**DETAIL REPORT -**

The DLLE of Ramanand Arya D.A.V. College organized several events to foster student development. The first-term training for extension students featured Ms. Bindu Acharya, who guided 34 students on various DLLE projects and encouraged active participation. Ms. Acharya also led an Article Writing Workshop, emphasizing the career potential in article writing across multiple fields. During VIBRATION 2023-24, the DLLE Committee ran a food stall to promote entrepreneurship. At the Udaan Festival, students showcased their talents in street plays, creative writing, and elocution, addressing social issues and displaying literary skills. Ms. Veejeta Balam (SYBAF) won a consolation prize in creative writing at the Udaan Festival. Additionally, a mock interview session provided practical interview experience and valuable feedback, enhancing students' confidence for future careers.
