IMPACT ON VOLUNTEERS:-

1. All the NSS Volunteers had learned that we should keep our surrounding clean and should throw the litter in dustbin.
2. We learned how to protect our environment by not putting the waste on the road or surrounding and always put it in the dustbin.
3. We learned that the way human beings live the same way some animal and fishes live in the water so we should not throw any garbage in the water because it will effect the life of the amphibians .
